

AUSTIN PARKS FOUNDATION PRESENTS

AUSTIN CITY LIMITS[®]
MUSIC FESTIVAL
OCTOBER 4-6 + 11-13 2019 ZILKER PARK

Dear Neighbor,

The 18th edition of Austin City Limits Music Festival is returning to Zilker Park at the beginning of October, and we want to send our biggest thanks in advance to you, the Festival's next-door neighbors.

As you well know, there's no place like Zilker Park. It's truly the best place in the world to celebrate our city and its musical heritage, along with the people, causes, and businesses that make our Austin community one-of-a-kind.

Thanks in advance for your patience as we prepare for the next two-weekend run. We've included information about logistical details in the coming weeks. Please read over it for info about road closures and event times, as well as a snapshot of some of the positive impacts of ACL Festival in Austin.

Communication is key for us. Our planning involves tight collaboration with the City of Austin, Neighborhood Association groups, the Austin Parks and Recreation Department and the city's first responders to ensure the lowest impact approach is taken for our neighbors with respect to the street grid and circulation patterns. Rest assured, your sidewalks, streets and parkways will return to you as soon as possible.

As always, safety is our number one priority. Police, security, and other personnel are in place to keep the Festival as safe as it is entertaining in your neighborhood.

For more information about the event, visit our website at aclfestival.com. You can also find answers to some of our frequently asked questions at www.aclfestival.com/information. If we can be of any assistance to you, answer any questions or provide information not available on our website, please do not hesitate to contact us at info@aclfestival.com
